- RADT 1100 Subjective Assessment- max 3 points

When ranking candidates for interview offers, only grades earned for **completed** courses will be scored. No points are awarded for in-progress courses during the semester of application at this point of the process. Points are awarded based upon most recent attempt of required courses.

Approximately 200% of estimated class size will be selected for an interview to be held in November. A student may interview a maximum of three times.

Point categories for formal interview:

- Professional appearance- max 3 points
- Medical Experience- max 5 points
- Reasoning skills- max 8 points
- Personal Interaction skills- max 9 points
- Motivation- max 8 points
