

Have you checked out a calculator from the Columbia State Library?

Options for returning the calculator:

1. Calculators will not be due until three weeks after the College, including the Library, opens. No holds will be placed until three weeks after re-opening.
2. If you have a calculator checked out and are registered for a summer math class you may email library@columbiastate.edu to renew this item.
3. If you are graduating and moving to another academic institution, you may mail the calculator to the following address. Please include your name, mailing address, student ID number, email address and phone number.
Finney Library
Columbia State Community College
1665 Hampshire Pike
Columbia, TN 38401
4. If you have a lost or damaged calculator, you may email BusinessServices@columbiastate.edu or call 931.540.2530 and leave your contact information. You will receive a call back and be able to pay using your debit or credit card.
