Campus Information and Services: A to Z

Academic Advising

Incoming freshmen and transfer students may be advised by faculty or professionals in Student Services or at the extended campuses during the required orientation programs. Currently enrolled and re-enrolling students who have been assigned faculty advisors are requested to contact their faculty advisors or division deans for assistance. Transient students should see an admissions recruiter for direction.

Students seeking advising on the Columbia campus during evening hours (after 4:15 pm), may contact the Evening Services office (Warf 109). Students seeking advising at Columbia State's extended campuses should see the director, evening administrative assistant, or a faculty member at that location.

Adding and Dropping Courses

You may officially add or drop course(s) within the times indicated on the academic calendar. If you add, you may be subject to additional tuition and fees. The date on which you drop will affect the amount of refund to which you may be entitled. If you receive financial aid, contact the Financial Aid Office prior to dropping, as the change may have implications for your aid.

Admissions

The Enrollment Services office serves individuals who are interested in enrolling at Columbia State by providing general enrollment information, admissions counseling, and campus tours. Additionally, this office is responsible for processing admissions, international, and residency applications. For complete details on admissions requirements, consult the current College catalog. The Enrollment Services office is located in Jones Student Center 103 in Columbia. For more information on enrollment, call (931) 540-2790 or visit the nearest Columbia State campus.

Alcohol and Other Drugs

See *Drug-Free Communities*.

Attendance

Students are expected to attend class regularly and on time. Refer to course syllabus for specific guidelines.

Bookstore

The Barnes & Noble College Bookstore (Columbia Campus, Jones Student Center 165 and Williamson County Center) is open at hours convenient to day and evening students. In addition to renting and selling textbooks, selling manuals and supplies for college courses, the bookstore offers Columbia State clothing, laptops and tablets, the buy-back of used books and manuals, as well as gift items.

Bulletin Boards and Sign Posting

Posters

Posters to be distributed on campus must be approved by the Student Services office (Jones Student Center 164), or by the campus director on all extended campuses. Posters must include the name of the sponsoring organization, time, date, and location of the event. All notices should be on bulletin boards; not on doors, windows, or walls. It is the responsibility of the person or group to take down posters after the event has taken place.

Bulletin Boards/Digital Signage

The use of campus bulletin boards and digital signage is limited to affiliated individuals and groups and to official use by the institution.

Bulletin boards and digital signage may be designated for use by specific individuals or groups, such as faculty, students, student organizations, etc. Persons authorized to use a bulletin board, the types of materials which may be posted on a board, the maximum size and duration of any posters, and any other special conditions on use should be approved prior to the use of the board.

Approval for bulletin board and digital signage use is obtained in the Student Services office or in the director's office at other campuses.

Business Services

The staff in Business Services are available to assist students and their families with information regarding financial accounts, fee payments, refunds, financial aid refunds, fines and citations. The Columbia office is in Pryor Administration Building. Campus directors and staff at extended campuses also assist with business concerns.

Campus Tours

Individuals or groups desiring campus tours should contact Enrollment Services to schedule. Send email to admissions@columbiastate.edu or call 931-540-2790.

Change of Major

Students who need to change majors should contact their advisor and complete the Change of Major form. The advisor should submit the completed form to Enrollment Services.

Change of Address

Log on ChargerNet, click on Student Tab and go the Personal Information tab to change address and telephone numbers.

Child Care Services

Columbia State Community College does not provide child care services; however, in an effort to aid our students in locating child care assistance, the Student Services office has prepared a list of individual licensed providers. The list includes child care agencies near each of the Columbia State campus locations. Be aware that these listings are neither college-supervised nor college-inspected facilities. This information may be obtained in the Student Services office or in the director's office on all extended campuses.

Children on Campus

See *Minors on Campus*.

Commencement

Columbia State hosts two commencement ceremonies annually to celebrate student success and program completion. The spring exercise in May is for students who complete degree requirements in May. Students who finish in summer or fall participate in the December ceremony.

Complaints

Students or prospective students who wish to file a complaint about services rendered or about violations of law should start with the level at which the complaint is rooted. If staff members in the department do not resolve the concern satisfactorily, students are at liberty to move through the chain of command until the issue is resolved.

Students or prospective students who wish to file a complaint related to accreditation or regarding violations of state law not resolved at the institution may submit a Student Complaint Form to the Tennessee Board of Regents at 1415 Murfreesboro Road, Suite 340, Nashville Tennessee 37217, or by going online and filing out the form electronically at <http://www.tbr.edu/contact/default.aspx?id=2936>. Under Tennessee's open records law all or parts of complaints will generally be available for review upon request from a member of the public.

Complaints regarding accreditation can also be made by contacting the Southern Association of Colleges and Schools Commission on Colleges, 1866 Southern Lane, Decatur, Georgia 30033-4097, telephone 404-679-4500 (www.sacscoc.org).

Complaints of fraud, waste, or abuse may be made by email at reportfraud@tbr.edu or by calling the Tennessee Comptroller's Hotline for Fraud, Waste, and Abuse at 1-800- 232-5454.

Veterans, Service members, and eligible dependents may report negative experiences with educational institutions through the online complaint system. The data entered into the system gives the federal government the information needed to identify and address unfair, deceptive, and misleading practices and ensure high quality academic and student support services are available. (<http://www.benefits.va.gov/GIBILL/Feedback.asp>)

Computer Account

Students are assigned an account for their use while attending Columbia State. Accounts are to be held private and credentials such as usernames and passwords may not be shared with others. This account will provide the user with access to electronic mail and computer resources at Columbia State. This account is also used for access to Online Campus courses offered through Columbia State.

Counseling

The Student Success Counseling program offers students assistance with setting goals, stress management, time management, making the transition to college, test anxiety, campus and community referrals, and making connections to peer support. For more information on Student Success Counseling, call (931) 540-2572.

Disability Services

Disability Services provides support services especially designed to meet the needs of students with disabilities, and provides reasonable accommodations enabling qualified disabled students to participate fully in campus life. To qualify for services, students must provide the department with official documentation of the disability and discuss their specific needs for each class. Subsequently, staff members make a determination to ensure equal educational opportunity within the academic and/or technical requirements of the program, based on an individual's specific disability.

Columbia State provides disability support services in a variety of ways. Examples of these services include, but are not limited to, coordinating community resources, providing information for faculty regarding disabilities, serving as an advocate for students, and securing special adaptive equipment and aids. These services are offered to assist students with disabilities in realizing their goals. Students needing accommodations are urged to contact Disability Services several weeks before a semester begins to allow time for special services to be arranged. More information about services is available on Columbia State website or by contacting the Disability Services office at (931) 540-2857.

Distressed or Disturbed Students or Others

Columbia State is committed to providing a safe learning environment. All members of the Columbia State Community are encouraged to be alert to unusual or aberrant behavior of students, employees, visitors, contractors, or others. Therefore, any distressing, disturbing, threatening, or dangerous student behavior should be reported to the Associate Vice President for Student Services or another College staff person; comparable behavior of others should be reported to the Director of Human Resources. Report the incident as soon as possible. If there is perceived imminent danger, call 911 and then call Campus Security at 9-797-7669. Work with the staff person to complete an Incident Report so that it can be submitted to the Associate Vice President for Student Services in Jones 164. If the incident occurred at another campus, contact the campus administrative staff.

After the Associate Vice President for Student Services receives the report, the Student Assistance Coordinating Committee will conduct a safety assessment. The Committee assists in addressing situations where individuals are displaying dangerous or threatening behaviors that potentially impede their own or others' ability to function successfully or safely. Next, the Committee will draft an appropriate response plan that takes the nature of the behavior, the severity of the safety risk, and the needs of the individual into consideration. Individuals submitting reports should not expect detailed information about the disposition of their submission, as the issues may involve due process or confidentiality rights of the reported individual.

The Committee also acts as a clearinghouse for campus behaviors. A single event might not appear to be problematic; however, when the Committee recognizes a pattern of inappropriate behavior on the part of an individual across classes or other interactions, then they can take steps to assist the student and protect the campus community. Therefore, report every incident, even if the same individual has been reported previously.

Drug-Free Communities

The following policy applies to all Columbia State Community College employees, including faculty and students, in compliance with the provisions of the Drug-Free Workplace Act of 1988 (41 U.S.C. 701, et. seq.) and the Drug-Free Schools and Communities Act Amendments of 1989 (20 U.S.C. 3171, et. seq.).

It is the policy of Columbia State to strictly prohibit the unlawful use and/or possession of alcoholic beverages and/or any drug or controlled substance (including any stimulant, depressant, narcotic, hallucinogenic drug or substance, or marijuana), or sale or distribution of any such drug or controlled substance on College-owned, controlled, or leased property. The unlawful use, abuser, or distribution of alcohol or illicit drugs are prohibited during any College-related activity including off-campus trips. All employees and students are subject to applicable federal, state, and local laws related to this matter. Additionally, any violation of this policy will result in disciplinary actions as set forth in this handbook and/or in the *Columbia State Policies and Procedures*.

Legal Sanctions

Various federal, state, and local statutes make it unlawful to manufacture, distribute, dispense, deliver, sell, or possess with intent to manufacture, distribute, dispense, deliver, or sell controlled substances. The penalty imposed depends upon many factors which include the type and amount of controlled substance involved, the number of prior offenses, if any, whether death or serious bodily injury resulted from the use of such substance and whether any other crimes were committed in connection with the use of the controlled substance. Possible maximum penalties for a first-time violation include imprisonment for any period of time up to a term of life imprisonment, a fine of up to \$4,000,000 if an individual, supervised release, any combination of the above, or all three. These sanctions are doubled when the offense involves either:

- distribution or possession at or near a school or college campus, or
- distribution to persons under 21 years of age.

Repeat offenders may be punished to a greater extent as provided by statute. Further, a civil penalty of up to \$10,000 may be assessed for simple possession of "personal use amounts" of certain specified substances under federal law. Under state law, the offense of possession or casual exchange is punishable as a Class A misdemeanor; if there is an exchange between a minor and an adult at least two years the minor's senior, and the adult knew that the person was a minor, the offense is classified a felony as provided in T.C.A. 39-17-417 (21 U.S.C. 801, et. seq.; T.C.A. 39-17-417).

It is unlawful for any person under the age of 21 to buy, possess, transport (unless in the course of his employment), or consume alcoholic beverages, wine or beer, such offenses being classified Class A misdemeanors punishable by imprisonment for not more than 11 months, 29 days, or a fine of not more than \$2,500, or both (T.C.A. 1-3-113, 57-5-301). It is further an offense to provide alcoholic beverages to any person under the age of 21, such offense being classified a Class A misdemeanor (T.C.A. 39-15-404).

The offense of public intoxication is a Class C misdemeanor punishable by imprisonment of not more than 30 days, or a fine of not more than \$50, or both (T.C.A. 39-17-310).

Institutional/School Sanctions

Columbia State will impose the appropriate sanctions on any employee or student who fails to comply with the terms of this policy.

Employees

As a condition of employment, each employee, including student employees, must abide by the terms of this policy and must notify their department head/supervisor of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction. A conviction includes a finding of guilt, a plea of *nolo contendere* or imposition of a sentence by any state or federal judicial body. Possible disciplinary sanctions for failure to notify of conviction may include one or more of the following:

- termination;
- suspension;
- mandatory participation in, and satisfactory completion of a drug/alcohol abuse program or rehabilitation program;
- recommendation for professional counseling;
- referral for prosecution;
- letter of warning; and/or,
- probation.

Students

Possible disciplinary sanctions for failure to comply with the terms of this policy may include one or more of the following:

- expulsion;
- suspension;

- mandatory participation in, and satisfactory completion of a drug/alcohol abuse program or rehabilitation program;
- referral for prosecution;
- probation;
- warning; and/or,
- reprimand.

Dual Enrollment

Dual enrollment is a program that allows eligible high school students to earn college credit while they are still in high school.

Emergencies

Messages

Students may not receive phone calls at the College. In the event of an emergency a student will be contacted in class to return a phone call. The caller will be asked the nature of the emergency in order to determine if the call warrants the student being removed from class. At the Columbia campus, all emergency messages should be directed to the Student Services office (931) 540-2570. At the extended campuses, emergency messages should be forwarded to the office of the director the administrative offices.

Procedures

Emergency procedures are posted in all facilities at all Columbia State locations. During emergency situations, students are expected to stay calm, listen for instructions, and follow the designated procedures. For a complete listing of policies related to this area, please refer to the website at <http://www.columbiastate.edu/emergency> or contact the Student Services office (931) 540-2570.

Employment

Students have the opportunity to earn and learn while participating in campus and community work-study programs. Contact the Financial Aid Office for additional information.

Enrollment Services

Staff members in Enrollment Services focus on all of the processes that help students get off to a good start and record their academic career at Columbia State. Services include recruitment, admissions, records, and financial aid.

Evening Services

Evening services are provided at every Columbia State campus location. The Evening Services office at the Columbia campus (Warf 109) is available 4:15 p.m. to 8 p.m. Monday - Thursday. For more information on services, call (931) 540-2862. For hours and available services on other campus locations, contact the administrative office at the respective campus.

Financial Aid

The Financial Aid program is designed to help students who would find it difficult or impossible to attend Columbia State without financial assistance. The College offers a comprehensive program of financial aid in the form of scholarships, part-time employment on campus and in the community, grants, loans, and Veterans benefits.

Columbia State places major emphasis upon financial need, academic achievement, character, and promise of future success. Although Columbia State will assist all qualified students as resources permit, aid should be viewed only as supplementary to the efforts of the family and student. Primary responsibility for financing an education lies with the student.

Information regarding who should apply for financial aid, the application process and types of financial aid can be obtained in the Financial Aid office (Jones Student Center 103), or in the administrative office at any of the Columbia State extended campuses. For complete details on applying for financial aid, consult the current College catalog or the website.

Student Consumer Rights Information

The financial aid applicant is responsible for obtaining, completing, and filing each year the proper financial aid application on a timely basis. The applicant has the right to seek and receive full information and counsel from the director

of financial aid (Jones Student Center 103), in regard to any financial aid matter. The applicant must, without exception, report any of the following changes to the Financial Aid office:

- withdrawal from the college,
- transfer to another college,
- name change,
- address change of student or parent if applicable.

If student loans have been received, an exit interview must be arranged with the Financial Aid office when graduating or withdrawing from the college. Failure on the aid recipient's part to do exit counseling will result in a hold being placed on the student's record and refusal of future financial aid awards.

Food Services and Vending

A private contractor, whose purpose is to provide students with a quality food program, operates the cafeteria on the Columbia campus.

Vending machines are operated for the benefit of students, and are located in various facilities on all campuses. The cashiers at all campus locations are responsible for vending machine reimbursement.

Graduation

See *Commencement*.

Guns/Weapons on Campus

In accordance with Tennessee State law, all firearms, including hunting weapons or weapons typically displayed in vehicle windows, shall be prohibited on school property. Persons carrying or possessing a weapon of any kind shall be subject to felony charges with a maximum sentence of six years' imprisonment and a fine not to exceed \$3000. This provision does not apply to officers in the county, city, or state charged with the enforcement of the laws of the state when in the discharge of their official duties.

Housing

Under Tennessee Board of Regents policy, Columbia State Community College assumes no responsibility for student housing. This institution is a commuter college and has no dormitories, fraternity, or sorority housing.

Even though the College is unable to assume responsibility for student housing, the College is vitally concerned with the welfare and well-being of all students, and desires they have accommodations commensurate with their needs. A housing referral list, which includes apartments in the Columbia area, is available in the Student Services office.

The prospective student and parents should be aware that these listings are neither college-supervised nor college-inspected accommodations. Students should plan to arrive in the community in advance of final registration dates to find suitable housing.

Identification Cards

All students taking credit courses must obtain a student identification card. Identification cards are available at no charge from the library in Columbia or from the administrative office on any of the extended campuses. Misplaced cards can be replaced. Identification cards should be retained for every semester of attendance; however, they must be revalidated each academic year. This card is required of students for identification, computer lab use, checking out library materials and some bookstore purchases. Additionally, it allows a student to attend all College activities open to the student body at no charge or at student rates.

Inclement Weather

In the event that classes are dismissed, cancelled, or otherwise closed due to weather conditions, appropriate notification will be given to local television and radio stations, and on the college Web site at www.columbiastate.edu. Additionally, this information will be posted on the campus weather line at (931) 540-2515. Postings for extended campuses will be made available at the specific campus location. Students attending noncredit classes should contact the Center for Economic and Workforce Development at (931) 540-2660 for class cancellations.

In cases where Columbia State continues operations, students are encouraged to use their own discretion. If students are absent due to such conditions, they will be provided a reasonable opportunity to make up missed assignments.

Insurance

Student health insurance is available through an independent company. Students interested in receiving information should contact the Student Services office, Jones Student Center 146.

Library

The John W. Finney Memorial Library provides access to the books, journals, newspapers, electronic resources, and other materials that support the curriculum and fulfill the information and research needs of the students, faculty, and staff of the College. The library provides access to a range of information resources appropriate to the curriculum and other aspects of the College's mission, offers appropriate reference and instructional services related to the library's materials and networks, and shares information resources reciprocally with other libraries and institutions in the area, state, region, and nation.

The 23,900 square-foot Columbia facility, opened in 1972, is named for the late John Wesley Finney, a Columbia resident and member of the State Board of Education, whose leadership was instrumental in establishing a community college for this area. The library provides seating for 200 students on two floors. In addition to a microform reading room and a special collections room, the first floor of the library has a reference collection, a current periodicals reading area, an audiovisual lab, and a computer lab for accessing electronic information. The second floor has a conference room, a library-instruction room and computer lab, and stacks for the library's circulating book collection.

The library print collection has some 70,000 volumes, with strong holdings in history, literature, the social sciences, nursing, and allied health technology. Over 300 periodical titles are received including scholarly journals, general interest magazines, and local, state, and national newspapers. The library also subscribes to over 40 research databases.

The library offers individualized research assistance, as well as instructional classes and orientations. Through the interlibrary loan service, books and other materials may be obtained from other libraries. During fall and spring semesters, library hours are 7:45 a.m. to 8:00 p.m., Monday through Thursday; 7:45 a.m. to 4:15 p.m., on Friday. Check postings for Saturday hours, summer hours, and holiday closings.

In addition to the library on the Columbia campus, libraries are also maintained at Clifton, Lawrence County, Lewisburg, and Williamson County. These locations have basic reference collections, a browsing collection of journals and newspapers, and computer access to electronic databases. Hours at these locations may vary; check with extended campuses individually for hours of operation.

Lost and Found

All lost articles should be reported to the Student Services office, Room 147 or to the administrative office at any of the extended campuses as soon as possible. A complete description of the lost item is required prior to being returned. All found articles will be dated and held for claim for three months. Any items not claimed within three months will be discarded.

Columbia State's mascot is the Charger, a strong, fast horse trained for battle.

Minors on Campus

Students and employees are not approved to leave minors unsupervised on Columbia State campuses. Minors are not allowed to accompany parents to class without the prior approval of the instructor.

In certain circumstances, minors may be on campus for classes held for their benefit (programs for the academically talented, field trips, etc.). At such times, it is expected that the instructor or responsible adult will await their parents' arrival. It is the responsibility of the supervisor/instructor of these activities to explain these restrictions to the minors and to monitor the enforcement where feasible. In all circumstances related to minors on campus, it is the expectation of the institution that good judgment be exercised in preventing disruption of the learning environment.

Orientation

All new degree-seeking first-time college students and transfer students are required to participate in the new student orientation program. Sessions are held throughout the year at each Columbia State location. This program provides students with information about registration, student services, student activities, and College policies. For more information on new student orientation, call the Enrollment Services office (931) 540-2790.

Records

The Records office (Jones Student Center 103) is responsible for student name change, social security number changes, change of registration forms, change of major forms, transcript requests, enrollment verifications, and final graduation evaluation and certification (including academic/technical certificates). Additionally, this department is responsible for the evaluation of college transcripts for transfer credit and external credit by exam evaluations (CLEP, CEEB-Advanced Placement, ACT, CPS, and Military Service/Schools). MyChargerNet student registration-related problems may be reported to this department.

Safety and Security

The Department of Safety and Security at Columbia State Community College is committed to preserving a safe and secure environment for students of the College. The Columbia campus has security personnel on duty 24 hours a day, seven days a week.

Student Life, Leadership and Activities

Athletics

Columbia State Community College is a member of the National Junior College Athletic Association and the Tennessee Junior and Community College Athletic Association and maintains a strong program of intercollegiate sports. Team sports include men's basketball, women's basketball, baseball, and women's softball.

All athletic offices are located in the Webster Athletic Center on the Columbia campus.

Equity in Athletics

All coeducational institutions of higher education that participate in any federal student financial aid program (i.e., Federal Pell, Federal SEOG, and Federal SSIG Grants; Federal Work Study; and Federal Family Education, Federal Perkins, and William D. Ford Federal Direct Loans) and have intercollegiate athletic programs under the Equity in Athletics Disclosure Act of 1994, Section 360B of Public Law 103-382, are required that certain equity in athletic information, based on the previous reporting year, be available for inspection by students, prospective students, and the public by November 1 of each year. This information is available in the Student Services office or the Athletics office (Webster Athletic Center 212).

College Committees

Students participate in the governance of Columbia State through service on college standing committees. The president of the Student Government Association recommends the appointment of students to all standing committees at the beginning of each academic year. Additionally, students have the opportunity to effect change at the state level through service on Tennessee Board of Regents subcommittees or as a regent on the full board. These appointments are made by the president for the College and are rotated among the colleges, universities, and colleges of applied technology in the system.

Student Activities and Organizations

The College is dedicated to scheduling extracurricular activities and sponsoring student organizations which promote the development of the total individual.

Student Activities

Each academic year, the Student Services office sponsors a variety of social, cultural, and leadership programs for the enrichment of the College community. Additionally, this office offers a wide-range of intramural activities. Intramurals allow for physical or nonphysical involvement with activities ranging from ping-pong tournaments to flag football and volleyball.

It is the goal of Student Services to get students involved and to assist them in meeting their peers in a more casual setting. If you would like to be involved in student activities, please contact the Student Services office for approval forms and procedures at least 48 hours prior to the date of the event. Additional approval time may be required for activities which involve college funding, fund-raising, distribution of literature, demonstrations, or rallies.

Student Activity Fee

Students at Columbia State pay a required student activity fee which provides compensation for scheduled activities. Additionally, the fee allows for students to receive admission to athletic events at a discounted student rate. Columbia State student identification card is required.

Student Government Association

Members of the Student Government Association (SGA) are the student-elected representatives for the overall student body. The SGA meets biweekly to discuss issues of importance to Columbia State students. The SGA is responsible for making recommendations concerning student policies and activities to the associate vice president of student services. Because the SGA meetings are open to the public, students are encouraged to voice their concerns and opinions.

The SGA consists of a president, vice president, secretary/ treasurer, and senators. Any student at Columbia State is eligible to run for an office in the SGA. Students interested in participating in the SGA election process must contact the Student Leadership Coordinator for complete information on eligibility.

Student organizations should promote social and academic development and must abide by the guidelines as indicated in the student handbook. All student organizations must be open to all students of the institution who qualify for membership. No student(s) shall be denied access to or membership in any student activity or organization by reason of race, religion, creed, color, gender, sexual orientation, age, handicap, veteran status, or national origin.

Student organizations not meeting the guidelines as indicated in Columbia State Policies and Procedures may have their applications revoked.

Student Rights and Freedoms

The Tennessee Board of Regents Policy 3:02:04:00 defines the institution's responsibility in the academic rights and freedoms of the student.

Preamble

Academic institutions exist for the transmission of knowledge, the pursuit of truth, the development of students, and the general well-being of society. Free inquiry and free expression are indispensable to the attainment of these goals. As members of the academic community, students should be encouraged to develop the capacity for critical judgment and to engage in a sustained and independent search for truth. Institutional procedures for achieving these purposes may vary from campus to campus, but the minimal standards of academic freedom of students outlined below are essential to any community of scholars.

Freedom to teach and freedom to learn are inseparable facets of academic freedom. The freedom to learn depends upon appropriate opportunities and conditions in the classroom, on the campus, and in the larger community. Students should exercise their freedom with responsibility.

The responsibility to secure and to respect general conditions conducive to the freedom to learn is shared by all members of the academic community. Tennessee Board of Regents institutions have developed policies and procedures which provide and safeguard this freedom. The purpose of this statement is to enumerate the essential provisions for students' freedom to learn.

Freedom of Access to Higher Education

The admissions policies of each Tennessee Board of Regents institution are a matter of institutional choice, provided that each institution makes clear the characteristics and expectations of students which it considers relevant to success in the

institution's program. Under no circumstances should a student be barred from admission to a particular institution on the basis of race. Thus, within the limits of its facilities, each institution should be open to all students who are qualified according to its admissions standards. The facilities and services of a Tennessee Board of Regents institution should be open to all of its enrolled students.

In the Classroom

The professor in the classroom and in conference should encourage free discussion, inquiry, and expression. Student performance should be evaluated solely on an academic basis, not on opinions or conduct in matters unrelated to academic standards.

1. *Protection of Freedom of Expression* - Students should be free to take reasoned exception to the data or views offered in any course of study and to reserve judgment about matters of opinion, but they are responsible for learning the content of any course of study for which they are enrolled.
2. *Protection Against Improper Academic Evaluation* - Students should have protection through orderly procedures against prejudiced or capricious academic evaluation. At the same time, they are responsible for maintaining standards of academic performance established for each course in which they are enrolled.
3. *Protection Against Improper Disclosure* - Certain information about students is protected from public disclosure by federal and state laws. Protection against improper disclosure is a serious professional obligation. Judgments of ability and character may be provided under appropriate circumstances.

Student Grievance Procedures

Definitions

Academic Grievances

An academic grievance is a difference of opinion or dispute between a student and a faculty member about learning activities as they affect the student. This may include grading, instructional procedures, attendance, instructional quality, and situations where the student believes he is being treated unfairly.

Non-Academic Grievances

A non-academic grievance is a difference of opinion or dispute between a student and instructor, administrator, staff member, or another Columbia State Community College student pertaining to the interpretation and/or application of the policies and procedures of the College and the Tennessee Board of Regents. In addition to the interpretation and application of policies and procedures, nonacademic grievances shall include all grievances except those pertaining to instruction and classroom management. They may pertain to student governance issues, student activities, arbitrary and capricious management decisions, or other concerns that students might present for redress.

Procedures

Academic Grievances

The student should first discuss the matter with his/her instructor. If the matter is not resolved by this discussion, the student should bring the complaint, in writing, to the appropriate division dean. If the student is still not satisfied, the student may appeal in writing to the executive vice president - provost for academic and student programs and services. The executive vice president - provost will investigate and notify the student in writing of the outcome of the appeal. The executive vice president - provost may appoint a committee to review and resolve the issue.

Non-Academic Grievances

The student should first address to the staff member directly. If the student is not satisfied, the matter should be brought in writing to the staff member's supervisor. If the student is still not satisfied, he/she should present the grievance in writing to the associate vice president for student services. If the grievance is not satisfactorily resolved, the associate vice president for student services may appoint a committee to resolve the matter; or may initiate institutional hearing procedures to resolve the complaint. The associate vice president will inform the student in writing of the results. The student may appeal the decision to the President within five (5) business days of receipt of the results. The committee's decision may be appealed to the president. The president's decision is final.

It is the policy of Columbia State Community College that substantive and procedural due process shall be applied in all matters pertaining to the rights of students. Substantive due process addresses the constitutional rights of the individual and procedural due process is an affirmation of this protection. Every effort will be exhausted to resolve student grievances in an amicable and due process manner.

Grade Appeal Procedure

If a student believes the assignment of a course grade was based on discrimination, arbitrary or capricious action, or any reason not related to academic performance, a procedure exists whereby a student may appeal the grade.

The appeal must be initiated within one (1) semester following the term during which the grade was received. The appeal process includes the following steps that must be initiated by the student:

1. Contact the instructor to ensure that no calculation or administrative error has occurred. If the student cannot schedule a meeting with the instructor, the student should contact the division dean who will schedule the meeting between the instructor and the student. (If the student is in an academic or health sciences' program, the respective program director should be contacted before contacting the division dean.) The only exceptions to this procedure are when the instructor is no longer employed by the College or is unavailable so that it is impossible to complete this step within thirty (30) calendar days.
2. If the student believes an appeal is warranted after consulting with the instructor, the student may appeal to the division dean. The division dean will attempt to resolve the grade conflict within fifteen (15) working days.
3. If the appeal cannot be satisfactorily addressed at this level, the student may appeal in writing to the executive vice president - provost for academic and student programs and services within five (5) working days after notification by the division dean. This appeal should clearly state the basis for the appeal, the evidence for the appeal, and any supporting data. The executive vice president - provost will review the records and notify the student of the results of the review.

Student Conduct and Discipline

Institution Policy Statement

Students enrolled in postsecondary educational institutions are citizens of their civic communities as well as the academic community. As such they are expected to conduct themselves as law-abiding members of each community at all times. Admission to an institution of postsecondary education carries with it special privileges and imposes special responsibilities apart from those rights and duties enjoyed by non-students.

In fulfillment of its duties to provide a secure and stimulating atmosphere in which individual and academic pursuits may flourish, Columbia State has developed the following policies that are consistent with Tennessee Board of Regents regulations. In addition, students are subject to all federal, state and local laws and ordinances. If a student's violation of such laws or ordinances also adversely affects the institution's pursuit of its educational objectives, the College may enforce its own regulations regardless of the status or outcome of any external proceedings instituted by other civil or criminal authorities.

For the purpose of these policies, a "student" shall mean any person who is admitted and/or registered for study at the College for any academic period. This shall include any period of time following admission and/or registration, but preceding the start of classes for any academic period. It will also include any period which follows the end of an academic period through the last day for registration for the succeeding academic period, and during any period while the student is under suspension from the institution. Finally, "student" shall also include any person subject to a period of suspension or removal from campus as a sanction which results from a finding of a violation of the policies governing student conduct. Students are responsible for compliance with the Student Conduct and Discipline policies and with similar institutional policies at all times.

For the purpose of these policies, "class days" shall mean regular business days when classes are in session.

Disciplinary action may be taken against a student for violation of the policies which occur on institutionally owned, leased or otherwise controlled property, while participating in international or distance learning programs, and off campus, when the conduct impairs, interferes with, or obstructs any institutional activity or the mission, processes, and functions of the institution. Institutions may enforce their own policies regardless of the status or outcome of any external proceedings instituted in any other forum, including any civil or criminal proceeding.

These policies, and related material incorporated herein by reference, are applicable to student organizations as well as individual students. Student organizations are subject to discipline for the conduct and actions of individual members of the organization while acting in their capacity as members of, or while attending or participating in any activity of, the organization.

Students in health science programs are required to complete clinical objectives as a major component of the educational experience. Clinical objectives can only be completed at designated clinical facilities that enter into contractual agreements with the Institution to provide experiences for students. As outlined in clinical affiliation agreements, students are subject to facility expectations for behavior and conduct during clinical rotations. These expectations may include random drug screens and criminal background checks. Per program policies, any students denied access by a clinical facility based on established criteria will be unable to complete clinical objectives for the program of study and will be ineligible to continue enrollment.

Confidentiality of Discipline Process. Subject to the exceptions provided pursuant to the Family Educational Rights and Privacy Act of 1974 (FERPA), 20 U.S.C. 1232g and/or the Tennessee Open Records Act, T.C.A. § 10-7-504(a)(4), a student's disciplinary files are considered "education records" and are confidential within the meaning of those Acts.

This policy is promulgated pursuant to, and in compliance with, TBR Rule 0240-02-03-.01, Institution Policy Statement. To the extent that a conflict exists between this policy and TBR rule, policy and/or applicable law(s), the TBR rule, policy and/or law will control. History – Adopted by TBR: 12/8/11. Effective: 1/29/12.

Academic And Classroom Misconduct

Academic Misconduct

1. The faculty member teaching the class has primary responsibility for control over student classroom behavior in that class.
2. Faculty are expected to maintain academic integrity and an environment conducive to learning within the classroom. In doing so, they are expected to adhere to college definitions for academic dishonesty and classroom misconduct and to the procedures to be followed in the event a student is accused of either. For a description of these, refer to the Columbia State Community College Student Handbook (see "Student Conduct and Discipline").
3. The faculty member may order the immediate and temporary removal or exclusion from the classroom of any student engaged in academic misconduct. In doing so, the faculty member must inform the student of his or her right to due process and of the procedures to follow in order to appeal the removal. Extended or permanent exclusion from the classroom or further disciplinary action can be effected only through appropriate procedures of the College.
4. Plagiarism, cheating, and other forms of academic dishonesty are prohibited. Students responsible for academic misconduct, either directly or indirectly, through participation or assistance, are immediately responsible to the instructor of the class. In addition to other possible disciplinary sanctions which may be imposed through the regular institutional disciplinary procedures, the instructor has the authority to exercise Summary Academic Discipline.

Summary Academic Discipline

An instructor who has good cause to believe that a student engaged in academic misconduct in connection with a course taught by the instructor or an examination proctored by the instructor, or his or her designee may choose to exercise Summary Academic Discipline as outlined below:

1. The instructor will gather information relevant to the misconduct, discuss with the division dean, and meet with the offending student, presenting the information relevant to the misconduct and explaining the sanction imposed.
2. A student's grade in the course, or the assignment or examination affected by the alleged academic misconduct may be lowered to any extent, including a grade of "F" as long as the failing grade is proportional to the nature and extent of the academic misconduct.
3. If the instructor assigns a lower grade or an F or zero to the student because of academic misconduct, the instructor must complete the top half of the Student Academic Misconduct Form and submit to the division dean. The form includes the violations and the sanctions imposed.
4. The division dean must notify the student of the actions and of the appeals process that is available if the student opts to appeal the instructor's decision. The dean must also send a copy of the written notification to the Executive Vice President-Provost and the Associate Vice President, Student Services of the action to advise the student of his or her right to appeal the Summary Academic Discipline to the Executive Vice President-Provost. The student should continue to attend class during the appeals process.
5. After being confronted with information relevant to academic misconduct, the accused student may accept the sanction imposed by the instructor, or he/she may initiate the appeal of summary academic discipline within five (5) class days. If he/she accepts the instructor-imposed sanction, he/she also waives the right to an appeal, and the decision of the instructor will be final.

Student Appeal of Summary Academic Discipline

If a student believes he/she has been erroneously accused of academic misconduct or if he/she believes the actions or sanctions are too severe for the incident, the student may appeal an exercise of Summary Academic Discipline to the division dean. The student must contact the division dean in writing within five (5) class days of receipt of notification of the summary action.

The division dean will forward the appeal to the Executive Vice President-Provost within five (5) class days. The Executive Vice President-Provost may adjudicate the case, or he/she may, at his or her sole discretion, appoint an Academic Misconduct Appeals Committee to review and resolve the issue within five (5) class days of having received the appeal from the division dean. The committee will consist of at least three faculty members and two students, all of whom shall serve for the duration of the appeal. The committee should arrive at a decision within thirty (30) class days, absent good cause.

The Academic Misconduct Appeals Committee will then determine when the appeal hearing will be held. **The student must be notified of the date, time and location of the hearing so he/she can be in attendance.** The student should be notified as soon as possible, but given a minimum of one week's notice. The student will be advised of the following rights applicable at the hearing:

1. The right to present his/her information. However, the student's nonattendance, absent good cause, will not hinder the Committee from meeting and making a decision.
2. The right to be accompanied by an advisor. The hearing committee may restrict the advisor's right to speak at the hearing.
3. The right to call witnesses in his or her behalf.
4. The right to confront witnesses against him or her.
5. The method and time limitations for appeal, if any are applicable.

The committee will then conduct the appeal hearing, consider all of the information presented and make a decision by simple majority vote. The committee can either uphold or overturn the sanctions of the instructor. If the committee upholds the sanction, the decision will be reported to the Executive Vice President-Provost and, for record maintenance, to the Associate Vice President, Student Services. If the committee decides to overturn the sanctions of the instructor, the student must receive grades on all assignments and the course in accordance with the normal grading policies of the instructor (unless some other instance of academic misconduct occurs).

The Executive Vice President-Provost will send the student a written copy of the decision of the Academic Misconduct Appeals Committee within five class days of the Committee's decision.

The student will be advised of his or her right to appeal to the President of Columbia State within five (5) class days following receipt of the academic misconduct appeals committee's decision. Appeals must be made in writing. The President will make a determination within ten (10) class days. The decision of the President is final.

A student who is found responsible for academic misconduct will not be permitted to withdraw from the course to avoid Summary Academic Discipline.

A student who is found responsible for academic misconduct may be subject to additional disciplinary sanctions imposed by the Associate Vice President, Student Services or the Student Discipline and Procedures Committee if he/she is found to be involved in multiple incidents that involve other classes or other students.

Classroom Misconduct

Disruptive behavior in the classroom may be defined as, but not limited to, behavior that obstructs or disrupts the learning environment (e.g., offensive language, harassment of students and professors, repeated outbursts from a student which disrupt the flow of instruction or prevent concentration on the subject taught, failure to cooperate in maintaining classroom decorum, etc.), text messaging, and the continued use of any electronic or other noise or light emitting device which disturbs others (e.g., disturbing noises from beepers, cell phones, laptop computers, tablets, games, etc.).

Faculty establish class attendance and punctuality requirements, subject to state or federal laws, and inform students of those requirements, along with the consequences for failing to meet those requirements, through the published syllabi for each course.

In cases where student absences are the result of emergency circumstances (e.g., death in the family, a student's serious injury, or incapacitating illness), for which students were unable to make immediate contact with faculty, the student may contact the Office of Student Services for assistance in providing such immediate notification to faculty. However, the student remains responsible for verifying the emergency circumstances to faculty and for discussing arrangements with faculty for completion of course work requirements.

This policy is promulgated pursuant to, and in compliance with, TBR Rule 0240-02-03-.03 Academic and Classroom Misconduct. To the extent that a conflict exists between this policy and TBR rule, policy and/or applicable law(s), the TBR rule, policy and/or law will control. History – Adopted by TBR: 12/8/11. Effective: 1/29/12.

Disciplinary Sanctions

Upon a determination that a student or student organization has violated any of the disciplinary offenses set forth in these policies or the general policies of an institution, disciplinary sanctions may be imposed, either singly or in combination, by the appropriate institutional officials.

Sanctions that may be imposed include, but are not limited to:

1. Restitution. Restitution may be required in situations which involve destruction, damage or loss of property, or unreimbursed medical expenses resulting from physical injury. When restitution is required, the student or student organization is obligated by the appropriate judicial authority to compensate a party or parties for a loss suffered as a result of disciplinary violation(s). Any such payment in restitution shall be limited to actual cost of repair, replacement or financial loss;
2. Warning. The Associate Vice President, Student Services may notify the student or student organization that continuation or repetition of specified conduct may be cause for other disciplinary action;
3. Reprimand. A written or verbal reprimand or censure may be given to any student or student organization whose conduct violates any part of these regulations and provides notice that that any further violation(s) may result in more serious penalties;
4. Service to the Institution or Community. A student, or student organization, may be required to donate a specified number of service hours to Columbia State performing reasonable tasks for an appropriate institution office, official(s), or the local community. The service required shall be commensurate to the offense (e.g., service for maintenance staff for defacing College property);
5. Specified Educational/Counseling Program. A student or student organization may be required to participate in a specified educational or counseling program(s) relevant to the offense, or to prepare a project or report concerning a relevant topic;
6. Apology. A student or student organization may be encouraged to issue an apology that is appropriate for the circumstances and relates to the behavior giving rise to the disciplinary offense;
7. Fines. Penalties in the form of fines may be imposed against a student or student organization whenever the appropriate institutional authority deems appropriate. The sanction of fines may be imposed in addition to other forms of disciplinary sanctions. Failure to pay fines may result in further disciplinary action.
8. Restriction. A restriction upon a student's or student organization's privileges for a period of time may be imposed. This restriction may include, for example, denial of the ability to represent the institution at any event, ability to participate in Columbia State or TBR sponsored travel, use of facilities, parking privileges, participation in extracurricular activities or restriction of organizational privileges.
9. Probation. Continued enrollment of a student or recognition of a student organization on probation may be conditioned upon adherence to these regulations. Any student or organization placed on probation will be notified in writing of the terms and length of the probation. Probation may include restrictions upon extracurricular activities, or any other appropriate special condition(s). Any conduct in further violation of these regulations while on probationary status or the failure to comply with the terms of the probationary period may result in the imposition of further disciplinary action;
10. Suspension. Suspension is the separation of a student or student organization from the institution for a specified period of time. Suspension may be accompanied by special conditions for readmission or recognition;
11. Expulsion. Expulsion entails a permanent separation from the institution. The imposition of this sanction is a permanent bar to the student's admission, or a student organization's recognition to the institution. A student or organization that has been expelled may not enter Columbia State property or facilities without obtaining prior approval from an appropriate campus official with knowledge of the expulsion directive;
12. Revocation of Admission, Degree, or Credential;
13. Interim Suspension. As a general rule, the status of a student or student organization accused of violation of these regulations should not be altered until a final determination has been made in regard to the charges. However, interim suspension, pending the completion of disciplinary procedures, may be imposed upon a finding by the appropriate institutional official that the continued presence of the accused on campus constitutes an immediate threat to the physical safety and well-being of the accused, any other member of the institution its guests, property, or substantial disruption of classroom or other campus activities. In any case of interim suspension, the student, or

14. student organization, shall be given an opportunity at the time of the decision, or as soon thereafter as reasonably possible, to contest the suspension;
15. Any alternate sanction deemed necessary and appropriate to address the misconduct.

The President of the College is authorized, at his or her discretion, to uphold the decision, to intervene in order to negotiate a mutually acceptable resolution to any disciplinary proceeding, or, subsequently, to convert any sanction imposed to a lesser sanction, or to rescind any previous sanction, in appropriate cases. The decision of the President is final.

This policy is promulgated pursuant to, and in compliance with, TBR Rule 0240-02-03-.04 Disciplinary Sanctions. To the extent that a conflict exists between this policy and TBR rule, policy and or applicable law(s), the TBR rule, policy and/or law will control. History– Adopted by TBR: 12/8/11. Institutional policies are published annually through signage and in the Columbia State Traffic and Parking Policies brochure, the Student Handbook, and on the Columbia State website.

The driver of a vehicle not properly parked in designated areas may be subject to a fine.

A campus access fee will be charged per semester to all students. Each student will be given one parking decal at no charge. Students at extended campuses may secure their permits from the administrative staff at the respective campuses.

Parking decals should be placed on outside lower-left corner (driver side) of the rear window.

As outlined in College Policy 01-02, students who have been diagnosed as having Acquired Immune Deficiency Syndrome (AIDS), AIDS Related Complex (ARC), or a positive Human T-Lymphotropic Virus (HLTV-III)/Human Immunodeficiency Virus (HIV) antibody test, will be permitted to participate in classes so long as they are physically able.

Drug Free Schools Policy

The following policy applies to all Columbia State Community College employees, including faculty and students, in compliance with the provisions of the Drug-Free Workplace Act of 1988 (41701, et. seq.) and the Drug-Free Schools and Communities Act Amendments of 1989 (20 U.S.C. 3171, et.seq.).

It is the policy of Columbia State to strictly prohibit the unlawful use and/or possession of alcoholic beverages and/or any drug or controlled substance (including any stimulant, depressant, narcotic, hallucinogenic drug or substance, or marijuana), or sale or distribution of any such drug or controlled substance on College-owned, controlled, or leased property. The unlawful use, abuse, manufacture, or distribution and/or possession of alcohol or illicit drugs are prohibited during any College-related activity including off-campus trips. All employees and students are subject to applicable federal, state, and local laws related to this matter. Additionally, any violation of this policy will result in disciplinary actions as set forth in this handbook and/or the *Columbia State Policies and Procedures Manual*.

Legal Sanctions

Various federal, state, and local statutes make it unlawful to manufacture, distribute, dispense, deliver, sell, or possess with intent to manufacture, distribute, dispense, deliver, or sell controlled substances. The penalty imposed depends upon many factors which include the type and amount of controlled substance involved, the number of prior offenses, if any, whether death or serious bodily injury resulted from the use of such substance and whether any other crimes were committed in connection with the use of the controlled substance. Possible maximum penalties for a first-time violation include imprisonment for any period of time up to a term of life imprisonment, a fine of up to \$4,000,000 if an individual, supervised release, any combination of the above, or all three. These sanctions are doubled when the offense involves either:

- distribution or possession at or near a school or college campus, or
- distribution to persons under 21 years of age.

Repeat offenders may be punished to a greater extent as provided by statute. Further, a civil penalty of up to \$10,000 may be assessed for simple possession of "personal use amounts" of certain specified substances under federal law. Under state law, the offense of possession or casual exchange is punishable as a Class A misdemeanor; if there is an exchange between a minor and an adult at least two years the minor's senior, and the adult knew that the person was a minor, the offense is classified a felony as provided in T.C.A. 39-17-417 (21 U.S.C. 801, et. seq.; T.C.A. 39-17-417).

It is unlawful for any person under the age of 21 to buy, possess, transport (unless in the course of his employment), or consume alcoholic beverages, wine or beer, such offenses being classified Class A misdemeanors punishable by imprisonment for not more than 11 months, 29 days, or a fine of not more than \$2,500, or both (T.C.A. 1-3-113, 57-5-301). It is further an offense to provide alcoholic beverages to any person under the age of 21, such offense being classified a Class A misdemeanor (T.C.A. 39-15-404).

The offense of public intoxication is a Class C misdemeanor punishable by imprisonment of not more than 30 days, or a fine of not more than \$50, or both (T.C.A. 39-17-310).

Institutional/School Sanctions

Columbia State will impose the appropriate sanctions on any employee or student who fails to comply with the terms of this policy.

Employees

As a condition of employment, each employee, including student employees, must abide by the terms of this policy and must notify their department head/supervisor of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction. A conviction includes a finding of guilt, a plea of *nolo contendere* or imposition of a sentence by any state or federal judicial body. Possible disciplinary sanctions for failure to notify of conviction may include one or more of the following:

- termination;
- suspension;
- mandatory participation in, and satisfactory completion of a drug/alcohol abuse program or rehabilitation program;
- recommendation for professional counseling;

- demotion
- letter of warning; and/or,
- probation.

Students

Possible disciplinary sanctions for failure to comply with the terms of this policy may include one or more of the following:

- expulsion;
- suspension;
- mandatory participation in, and satisfactory completion of a drug/alcohol abuse program or rehabilitation program;
- probation;
- warning; and/or,
- reprimand.

Drug and Alcohol Awareness. A cursory description of the health risks associated with the use of beverage alcohol and illicit drugs are as follows:

Alcohol

Use or abuse of alcohol is the most neglected health problem in the United States today. Alcoholism is a complex, progressive disease in which the use of alcohol interferes with health, social and economic functioning. Untreated, alcoholism results in physical incapacity, permanent mental damage, and/or premature death.

According to the Summary Health Statistics for U.S. Adults: National Health Interview Survey, 2012, 51% of adults 18 years and over are current regular drinkers (at least 12 drinks in the past year). Alcohol is involved in one-third of all suicides, half of all murders, half of all traffic deaths, and one-fourth of all other accidents, and is involved in over 50% of all arrests, including sexual assaults. Use of alcohol during pregnancy may cause spontaneous abortion, various birth defects, or fetal alcohol syndrome. Drinking is implicated in cancer, heart disease, liver disease, gastrointestinal disease, negative effects on sleep, and other illnesses. Beverage alcohol can damage all body organs, leading to liver, heart and digestive problems, circulatory system interference, personality disorders, reproductive problems, and central nervous system disorders such as poor vision, loss of coordination, memory loss, loss of sensation, mental/physical disturbances, and permanent brain damage. The physical and psychological changes that occur as a result of addiction to alcohol can pave the way for addiction to pharmacologically similar (mood-altering) drugs.

Illicit Drugs

Illicit drugs are natural and synthetic chemical substances used to affect body processes, like the mind and nervous system. The use of illicit drugs results in many of the health risks that are involved with alcohol use. However, specifically, the illicit use of drugs increases the risk of: mental deterioration, death from overdose, physical and mental dependence or addiction, hepatitis and skin infections from needle use, psychotic reactions, inducement to take stronger drugs, brain damage, danger of "flashback phenomenon," hallucinations, unconsciousness, deep depression, distortion of time and space, permanent damage to the lungs, brain, kidneys and liver, death from suffocation or choking, anemia, amnesia, AIDS, and other infections. If used excessively, the use of alcohol and drugs singly or in certain combinations may cause death.

Drug and Alcohol Counseling, Treatment, Rehabilitation Programs, and Employee Assistance Programs

The Student Success Counselor will assist students and/or employees who now have or have had a drug and/or alcohol problem. The procedures are:

- To encourage the individual with a problem to seek the assistance of a qualified drug/alcohol therapist or seek treatment from a drug treatment center or mental health center;
- To provide information to the individual regarding treatment resources in the surrounding area and how to secure their services. Description materials are provided when available detailing the facility, length of stay, cost, etc.;
- To assist the student and/or employee in making the initial contact with an outside agency or to provide ongoing emotional support.

Several public and private drug and alcohol rehabilitation centers are located in the Columbia State service area. They provide medical treatment if indicated and include individual, group, and family counseling.

Harassment

Columbia State Community College will not condone sexual, racial, or other forms of harassment of students, employees of the College, or applicants for employment.

Sexual harassment and racial harassment have been held to constitute a form of discrimination prohibited by Title VI, Title VII of the Civil Rights Act of 1964, as amended, and Title IX of the Educational Amendments of 1972. Other types of harassment are prohibited by applicable law.

Generally, sexual harassment may be defined as unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when one of the following criteria is met:

- submission to such conduct is made either explicitly or implicitly a term or condition of the individual's employment or of the individual's status in a program, course, or activity;
- submission to or rejection of such conduct by an individual is used as a basis for employment decisions, a criterion for evaluation, or a basis for academic or other decisions affecting such individual; or
- such conduct has the purpose or effect of unreasonably interfering with an individual's work performance / educational experience, or creating an intimidating, hostile, or offensive work/educational environment.

Generally, racial harassment is defined as any person's conduct which unreasonably interferes with an employee's or student's status or performance by creating an intimidating, hostile, or offensive working or educational environment. Harassment on the basis of race, color, or national origin, includes offensive or demeaning treatment of an individual, where such treatment is based typically on prejudiced stereotypes of a group to which that individual may belong. It includes, but is not limited to, objectionable epithets, threatened or actual physical harm or abuse, or other intimidating or insulting conduct directed against the individual because of his/her race, color, or national origin.

Generally, harassment on the basis of religion, handicap, or other protected status includes any conduct which has the purpose or has the reasonably foreseeable effect of interfering with an individual's academic efforts, employment, or participation in institutionally-sponsored activities. Such harassment also includes any activity which creates an intimidating, hostile, or demeaning environment.

In situations that require immediate action, because of safety or other concerns, the institution can take any disciplinary action which is appropriate, e.g., suspension with pay, pending the initiation of the investigation by the affirmative action officer, the Director of Human Resources. Individuals who feel they have been harassed are encouraged to contact the Director of Human Resources (Pryor Administration Building 116). The Associate Vice President for Student Services will be called upon to investigate incidents in which students feel that they have been harassed as a result of the actions of another student (Jones Student Center 147).

FERPA: Confidentiality of Student Records

Columbia State Community College complies with the Family Educational Rights and Privacy Act (FERPA), which is designed to protect the confidentiality of personally identifiable educational records of students. Student rights are as follows:

1. The right to inspect and review his/her educational records within 45 days of the day the College receives a request for access. Students should submit to the Director of Records, the dean, head of the academic department, or other appropriate official, written requests that indicate the record(s) they wish to inspect. The College official—the Director of Records, Dean, department head, or other appropriate professional—will notify the student of the time and place the record(s) they wish to inspect will be available for review.
2. The right to request an amendment of his/her educational records that the student believes is inaccurate or misleading. Students should write the appropriate College official who is responsible for the record and clearly identify the part of the record that they desire changed, and explain why the current reading is inaccurate or misleading. The adjudicating official will notify the student of the College's decision. If the College does not elect to amend the record as requested, the communication will advise the student of his/her right to a hearing regarding the request for amendment. Information regarding hearing procedures will also be included. After the hearing, if the College still decides not to amend the record, the student has the right to place a statement with the record setting forth his or her view about the contested information.
3. The right to consent to disclosures of personally identifiable information contained in his/her educational records, except to the extent that FERPA authorizes disclosure without consent. Under the provisions of FERPA, the College may disclose directory information to any person requesting it without the consent of the student. Directory information may include the student's name, address, telephone number, date and place of birth, enrollment status (full-time or part-time, or withdrawn), major field of study, participation in officially recognized activities and sports, weight and height of members of athletic teams, dates of attendance, degrees and awards received, and most recent previous educational institution attended. Examples of such disclosures include, but are not limited to, play-production programs, honors recognition lists, graduation programs, and athletic activity sheets and programs.
4. The right to file a complaint with the U.S Department of Education concerning alleged failures by Columbia State to comply with the requirements of FERPA. The name and address of the office that oversees FERPA may be obtained from the Director of Records.

Students may request that "Directory Information" be withheld from anyone except Columbia State school officials with legitimate educational interests. A school official is a person employed by the College in an administrative, supervisory, academic or research, or support staff position; a person or company with whom the College has contracted (such as an attorney, auditor, or collection agent); a person serving on the Columbia State Foundation; or a student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his/her tasks. A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his/her professional responsibility.

In most instances, the College will require written permission from the eligible student in order to release any information from the student's education record. FERPA allows for disclosure of records, without consent, to the following parties or under the following conditions:

- Other schools to which a student is transferring;
- Specified officials for audit or evaluation purposes
- Appropriate parties in connection with financial aid to a student;
- Organizations conducting certain studies for or on behalf of the school;
- Accrediting organizations;
- To comply with a judicial order or lawfully issued subpoena;
- Appropriate officials in cases of health and safety emergencies, and
- State and local authorities, within a juvenile justice system, pursuant to specific State law.

Students wishing to refuse disclosure must submit a request for Non-Release of Directory Information to the Records office (Jones Student Center 101), after registering for classes. This request will remain in effect until the student signs a form to cancel the request.

Sex Crimes Prevention Act

The federal Campus Sex Crimes Prevention Act and the Tennessee College and University Campus Sex Crimes Prevention Act of 2002 require that whenever a sex offender becomes employed, enrolls as a student, or volunteers at an institution of higher education in the State of Tennessee, he or she must complete or update the Tennessee Bureau of Investigation (TBI) sexual offender registration/monitoring form, and deliver it to TBI headquarters in Nashville.

As defined in section 40-39-102 of the Tennessee Code, a "sexual offender" means a person who is, or has been, convicted in this State of committing a sexual offense, or who is or has been convicted in another state or another country, or who is or has been convicted in a federal or military court of committing an act which would have constituted a sexual offense if it had been committed in this State. A "sexual offense" means the commission of acts including, but not limited to, aggravated and statutory rape, sexual battery, sexual exploitation of a minor, aggravated prostitution, and kidnapping.

Both acts designate certain information concerning a registered sexual offender as public information and therefore amend and supersede the Family Educational Rights and Privacy Act (FERPA) and other federal and State laws that previously prohibited the disclosure of such personal information. Since the laws require the publication of information pertaining to sexual offenders employed, enrolled, or volunteering at an educational institution, said publication does not constitute grounds for a grievance or complaint under institutional or Tennessee Board of Regents policies or procedures.

In compliance with the federal Campus Sex Crimes Prevention Act and the Tennessee College and University Campus Sex Crimes Prevention Act of 2002, members of the campus community may obtain the most recent information received from the Tennessee Bureau of Investigation (TBI) concerning sex offenders employed, enrolled, or volunteering at this institution in the Campus Security office. Information is also available on the TBI's Web site listing of sex offenders located on the Internet at <http://www.ticic.state.tn.us/sorinternet/sosearch.aspx>.

III. Prohibition of Sexual Misconduct

Sexual misconduct is a form of sexual discrimination prohibited by Title IX. Columbia State is committed to eliminating any and all acts of sexual misconduct and discrimination on its campuses. As set forth in this policy, sexual misconduct includes dating violence, domestic violence, stalking, and sexual assault. Columbia State strictly prohibits these offenses. Any allegation of sexual misconduct as defined herein will be investigated and adjudicated according to this policy.

IV. Immediate Actions a Victim Should Take

- A. In the immediate aftermath of a sexual assault, domestic violence, dating violence or similar event, the most important thing is for the victim to get to a safe place.
- B. When a feeling of safety has been achieved, the victim should seek medical attention, regardless of his or her decision to report the crime to the police. It is very important for the victim of sexual assault to seek medical attention immediately so that the victim can be screened for sexually transmitted diseases/pregnancy/date rape drugs, obtain emergency contraception, and receive treatment for any physical injuries.
- C. A victim has the right to accept or decline any or all parts of a medical exam. However, critical evidence may be lost or missed if not collected or analyzed.
- D. Valuable physical evidence can be obtained from the victim and the victim's clothing. A victim should make every effort to save anything that might contain the offender's DNA. Therefore, a victim should not:
 1. Bathe or shower;
 2. Wash his/her hands;
 3. Brush his/her teeth;
 4. Use the restroom;
 5. Change clothes;
 6. Comb hair;
 7. Clean up the crime scene; or
 8. Move anything the offender may have touched.
- E. Even if the victim has not yet decided to report the crime, receiving a forensic medical exam and keeping the evidence safe from damage will improve the chances that the police can access and test the stored evidence at a later date.
- F. Victims of sexual misconduct are encouraged to preserve evidence by saving text messages, instant messages, social networking pages, other communications, and keeping pictures, logs or other copies of documents, if they have any, that would be useful to investigators.

V. Reporting Sexual Misconduct

The College encourages victims of sexual violence to talk to somebody about what happened so they can get the support they need and so the College can respond appropriately. Though reports will be kept as confidential as possible, the College cannot guarantee the confidentiality of every report or complaint. The following provisions detail the confidentiality options available to individuals.

- A. Reporting Confidentially - If a victim chooses to report an incident of sexual misconduct in a confidential manner,

the victim can report the incident to the Director of Student Success Counseling who is a licensed counselor and is required by Tennessee State law to maintain confidentiality of a victim:

Director of Student Success Counseling
Jones Student Center – Rm 157
931-540-2572

If the victim chooses to report in a confidential manner, the College may be unable to conduct an investigation into the matter or pursue disciplinary action against the alleged offender.

- B. Filing an Institutional Complaint - Reports of acts of sexual misconduct to any other employee of the College must be reported to the Title IX Coordinator, and the College will take immediate and appropriate steps to investigate what happened and to resolve the matter promptly and equitably.
1. The College shall not share information with law enforcement without the victim's consent or unless the victim has also reported the incident to law enforcement.
 2. Before a complainant reveals any information to an employee, the employee must ensure that the complainant understands the employee's reporting obligations.
 3. If the complainant wants to maintain confidentiality, the employee must direct the victim to confidential resources as detailed in IV. A.
 4. If the complainant wants to tell an employee what happened but also maintain confidentiality, the employee must advise the complainant that the College will consider the request, but cannot guarantee that it will be able to honor it. In reporting the details of the incident to the Title IX Coordinator, the employee will also inform the Coordinator of the complainant's request for confidentiality.
 5. An institutional complaint can be filed directly with either or both of the following:

<p>Title IX Coordinator Mr. Randy Elston 1665 Hampshire Pike Columbia, TN 38401 Pryor Administration Bldg – Rm 108 relston@columbiastate.edu (931) 540-2521</p>	<p>Associate VP of Student Services Ms. Cecelia Johnson 1665 Hampshire Pike Columbia, TN 38401 Jones Student Center – Rm 146 cjohnson@columbiastate.edu (931) 540-2762</p>
--	--
- C. Filing a Criminal Complaint - Contact local law enforcement where the assault occurred. The local law enforcement agency will determine the subsequent steps. An advocate from Center of Hope can assist in the reporting process.
- D. Filing an Anonymous Complaint -Filing an anonymous report will assist the institution with compiling statistical information that can call attention to the number of incidents that occur at the College. If the victim's identity is not known, no subsequent appropriate services will be made available. The suspect will not be notified that a report was filed if no name is revealed. The report will be sent to the Chief of Security for recording and tracking of incidents on and around the College.
- To file an anonymous report, use one of the following ways:
1. Call the Sexual Violence Hotline at 931-540-2503

The explanation must be submitted within three (3) business days, absent good cause, of the time when the party knew or should have known the facts that would give rise to the alleged conflict of interest. The provost will determine if the facts warrant the appointment of a different investigator and respond to the party in writing within three (3) business days, absent good cause. The decision of the provost shall be final.
- E. What the Investigation Should and Should Not Entail

In addition, the investigator shall advise all interviewees that they should contact the investigator immediately if they believe they are being retaliated against.
 4. The investigation shall include interviews with both the complainant and respondent, unless either declines an in-person interview.
 5. The complainant and respondent shall be provided with the same opportunities to have others present during an interview, including the opportunity to be accompanied by the advisor of their choice to any related meeting or proceeding.
 6. The College will not limit the choice of advisor for either the complainant or respondent; however, the investigator may limit the participation of advisors during the investigation.
 7. The investigation shall include interviews with relevant witnesses identified by the complainant and respondent or any other potential, relevant witness made known to the investigator via other means.
 8. The investigation shall include the gathering and reviewing of any documentary, electronic, physical, or other type of relevant evidence.
 9. The investigator is expected to request a list of relevant witnesses and evidence from complainant and respondent and take such into consideration.
 10. The investigator shall not consider any evidence about the complainant's prior sexual conduct with anyone other than the respondent. Evidence of a prior consensual dating or sexual relationship between the parties by itself does not imply consent or preclude a finding of sexual misconduct.

VIII. Outcome of Investigation and Determination of Appropriate Action

- A. Upon completion of the investigation, the investigator shall prepare a written report that includes the allegations made by the complainant, the response of the respondent, corroborating or non-corroborating statements of the witnesses, review of other evidence obtained, and conclusions that may be drawn from the evidence gathered.
- B. It is the responsibility of the investigator to weigh the credibility of all individuals interviewed and to determine the weight to be given to information received during the course of the investigation.
- C. The report shall be delivered to the appropriate decision maker.
 - 1. If the respondent is an employee, the decision maker shall be the vice president of financial and administrative services.
 - 2. If the respondent is a student, the decision maker shall be the executive vice-president/ provost.
- D. After review of the report, the decision maker shall make a determination based on a preponderance of the evidence presented as to whether or not a violation of this policy occurred.
- E. The decision maker's determination shall be communicated in writing simultaneously to the complainant and respondent, along with notice to the parties of their right to request an institutional hearing on the determination that a policy violation did or did not occur.

IX. Timeframe for Conducting the Investigation

- A. Every reasonable effort shall be made to conclude the investigation and resolve the complaint within sixty (60) calendar days following receipt of the complaint. Within this sixty (60) day timeframe, absent good cause, it is expected that the investigator will conclude the investigation, that the investigator will present a report to the decision maker, and that the investigator will notify the parties in writing of decision maker's determination.
- B. If the investigator or decision maker determines that additional time is needed, both parties shall be notified in writing of the delay, the anticipated date that the investigation will be concluded, and the reasons for such delay.
- C. If either party determines that additional time is needed, that party shall request such in writing to the investigator. The written request for additional time shall include the reasons for the requested delay and the number of additional days needed. The investigator shall make every reasonable effort to respond to the request for additional time within two (2) business days following receipt of the request and shall notify both parties in written as to whether or not the request is granted.

X. Institutional Hearing

- A. Either party may request an institutional hearing on the determination that a policy violation did or did not occur by providing written notice of the request to the investigator within ten (10) business days of receipt of the decision maker's decision.
- B. If a request is not received within ten (10) days, the decision maker's determination is final.
- C. The hearing may be held before either a hearing officer or hearing committee. The President of the College shall determine whether to proceed with a hearing officer or hearing committee and shall appoint individuals to serve in those capacities. The hearing officer and all hearing committee member shall receive, at a minimum, annual training on issues related to domestic violence, dating violence, sexual assault, and stalking, and on how to conduct an investigation and hearing process that protects the safety of victims and promotes accountability.
- D. If the complainant or respondent believes the hearing officer or any hearing committee member has a conflict of interest, that party must submit a written explanation of the reason for that belief to the provost. The explanation must be submitted within three (3) business days, absent good cause, of the time when the party knew or should have known the facts that would give rise to the alleged conflict of interest. The provost will determine if the facts warrant the appointment of a different hearing officer or committee member and respond to the party in writing within three (3) business days, absent good cause. The decision of the provost shall be final.
- E. If such a hearing is requested, every reasonable effort shall be made to conclude the hearing and resolve the appeal, including any appeal to the President, within thirty (30) days following the College's receipt of the party's request for a hearing
- F. The parties to the hearing may not engage in formal discovery.
- G. Each party is entitled to have an advisor of choice available; however, the advisor may not participate in the proceeding other than to render advice to the party.
- H. The College will not limit the choice of advisor for either the complainant or respondent.
- I. The complainant and respondent shall be timely notified in writing of all meetings relevant to the proceeding.
- J. The hearing officer or chair of the hearing committee shall control the procedures of the hearing with due consideration given to the parties' requests related to procedures such as, but not limited to, limitations on cross-examinations, recesses so the parties may consult with their advisors, and scheduling of hearings. The hearing officer or chair of the hearing committee shall conduct the proceedings in a manner that does not allow the respondent to directly question the complainant in person.
- K. The hearing officer or hearing committee shall use a preponderance of the evidence standard when reaching a decision.
- L. Absent good cause, within five (5) business days of the close of evidence, the hearing officer or committee shall issue a written determination as to whether or not a violation of this policy occurred and the justification for this decision.
- M. Each party shall be simultaneously notified of the hearing officer or committee's decision in writing, which shall include notice of their rights to appeal the hearing officer's or committee's determination to the President.

XI. Appeal of Hearing Decision to the President

- A. If either party chooses to appeal the hearing officer's/committee's decision, the party shall notify the investigator in writing of the decision to appeal within five (5) business days of receipt of the hearing officer's/committee's determination.
- B. If a written request for appeal is not received within five (5) days, the decision of the hearing officer/committee is final.
- C. The appealing party(ies) must explain why it is believed the factual information was incomplete, the analysis of the facts was incorrect, and/or the appropriate legal standard was not applied, and how this would change the determination in the case.
- D. The President will issue a written response to the appeal as promptly as possible. This decision will constitute the College's final decision on the complaint.

XII. Effect of a Finding of a Violation of this Policy

- A. If a final decision has been made that a policy violation occurred, the respondent shall be referred to the appropriate personnel for a determination of discipline.
- B. The appropriate personnel will be determined by the status of the respondent. If the respondent is a student, then the matter shall be referred to the associate vice president of student services. If the respondent is an employee, the matter shall be referred to the director of human resources.
- C. If the respondent is a student, the College will follow the procedures for disciplining students as described in TBR Policy [3:02:00:01 General Regulations on Student Conduct & Disciplinary Sanctions](#) and Columbia State Policy 02:07:00 *Student Conduct in the Classroom*.

 - 2. The complainant shall be allowed to have an advisor of her/his choice attend any meeting or hearing.
 - 3. The complainant shall be allowed to testify at any hearing during the disciplinary process, even if neither party intends to call the complainant as a witness during the case-in-chief.
 - 4. The complainant shall be allowed access to any evidence presented during any disciplinary meeting or hearing.
 - 5. The Title IX Coordinator or designee shall be appointed as the complainant's contact person for any questions or assistance during the disciplinary process.
 - 6. The complainant shall receive written notice of the outcome of the disciplinary process.
- F. If a final decision has been made that a policy violation occurred, the Title IX Coordinator or designee shall determine if any remedies are required to address the campus-wide environment, taking into consideration the impact of an incident of sexual misconduct on the campus as a whole and on specific groups or areas on campus. For example, the Title IX Coordinator or designee may determine that specific training is needed for a student group whose members have been accused of sexual assault.

XIII. Interim Measures

- A. In situations that require immediate action because of safety or other concerns, the College will take any reasonable administrative action that is appropriate. Examples of such interim actions include, but are not limited to:

Columbia State Community College Alma Mater

Lighting Our Way

Lyrics by Julie Lumpkins Basler, 2008
Music by Robert Luciano, 2008

Precious are the days we spend at Columbia State
Many and strong are the ties that we create
Friendships that last forever
Insight and truth that bind us together

As the light's been lit within us
We take the light before us
Columbia State, Columbia State Community College
Securing our hope and building our knowledge

As we sing in praise remembering the days
Accomplishing our dreams aiming high
We face our future valiantly
We embrace community proudly

As the light's been lit within us
We take the light before us
Columbia State, Columbia State Community College
Securing our hope and building our knowledge
